

STATE OF IDAHO
invites applications for the position of:

ISP Forensic Scientist 2

SALARY:	\$27.91 - \$39.93 Hourly \$58,052.80 - \$83,054.40 Annually
DEPARTMENT:	Idaho State Police
OPENING DATE:	08/19/21
CLOSING DATE:	09/01/21 11:59 PM
DESCRIPTION:	

This announcement is being used to fill a Firearms and Tool Mark Forensic Scientist 2 (FS2) position in Coeur d'Alene, Idaho. Current recruitment may be used to fill current and future openings. FS2 is an experienced scientist level position with ISP Forensic Services. An experienced scientist who meets the minimum qualifications and *qualifying work experience of the FS2 must successfully complete examination and a six-month probationary period of 1,040 hours. Pay will be adjusted accordingly at the time the incumbent is hired.

Additionally this position may train in one of the following disciplines (depending on laboratory workload) Chemistry, Toxicology, and Breath Alcohol. Once a discipline is selected, the candidate may be required to perform independent casework in another discipline and require obtaining and maintaining the required certification for that discipline.

All Idaho State Police Forensic Laboratories are accredited to the ISO 17025 Standard. State police Forensic Laboratories serve federal law enforcement agencies; state and county prosecutors; and public defenders.

You must attach a copy of your official transcripts (provided in English) to this application by the closing date. Applicant supporting transcripts will not be accepted.

PLEASE NOTE: The successful applicant will be required to complete a background investigation and polygraph examination includes drug screening. Please review the [ISP Drug Policy](#) and [ISP Grooming and Appearance Standards](#).
