Dear Friends,

"We can change the world and make it a better place. It is in our hands to make a difference." Nelson Mandela

THANK YOU for making a difference in the lives of children affected by abuse. You are making a profound impact on their lives. If you could see the faces of children when they arrive at KIDS Center for an evaluation, and then again when they complete their therapy, you would be able to see their transformation and just how much your support means.

Thank you so much for your online donation in the amount of \$100 on August 27, 2022. Bend Police Chief Mike Krantz has been informed of your thoughtful donation.

Child abuse happens everywhere. It does not happen to just other people's kids...it happens to everyone. "I never thought it would happen to my child." We hear this often from parents who have brought their child to KIDS Center for an evaluation. The entire family feels the trauma...the pain, devastation, and darkness caused by child abuse. To prevent abuse, stop it, and give children the chance to heal, the entire community needs to be willing to talk about it and do something about it.

Thank **YOU** for doing something about and making a difference in the lives of children and their families. Together, we are making our community safer and healthier, not only for today but for generations to come.

In partnership and on behalf of the children we serve,

Gil Levy
Executive Director
